It is a pleasure to travel along the road to Knighthood, no matter how far the distance left to go.

The Road to Knighthood

Each person must travel his own road of life. He must learn through experience; he must grow.

The students who attend Woodlawn High School will at one time all travel down the same road. They will follow the road to Knighthood, meeting many people, experiencing new things, and increasing their knowledge. Hopefully, each person will grow.

The road to Knighthood begins on that first frantically exciting day when the freshmen arrive at Woodlawn. It is not long afterwards until they come face to face at a pep rally with the spirit and pride of WHS. They become aware of that overwhelming spirit which has the power to send chills up and down one's spine.

Spirit and pride are certainly characteristic of Woodlawn, but it is probable that most people on the road to Knighthood will experience many other feelings such as happiness, excitement, anxiety, unity, serenity, and yes, maybe even agony. Feelings such as these help a person to grow and can enable him to discover his own identity.

For seniors the end of the road to Knighthood is very near. Graduation is the final step that will conclude their journey. It is the reality of the attainment of past goals and the aspirations of future conquests. Graduation is an event which links the road to Knighthood with the thoroughfare of life.

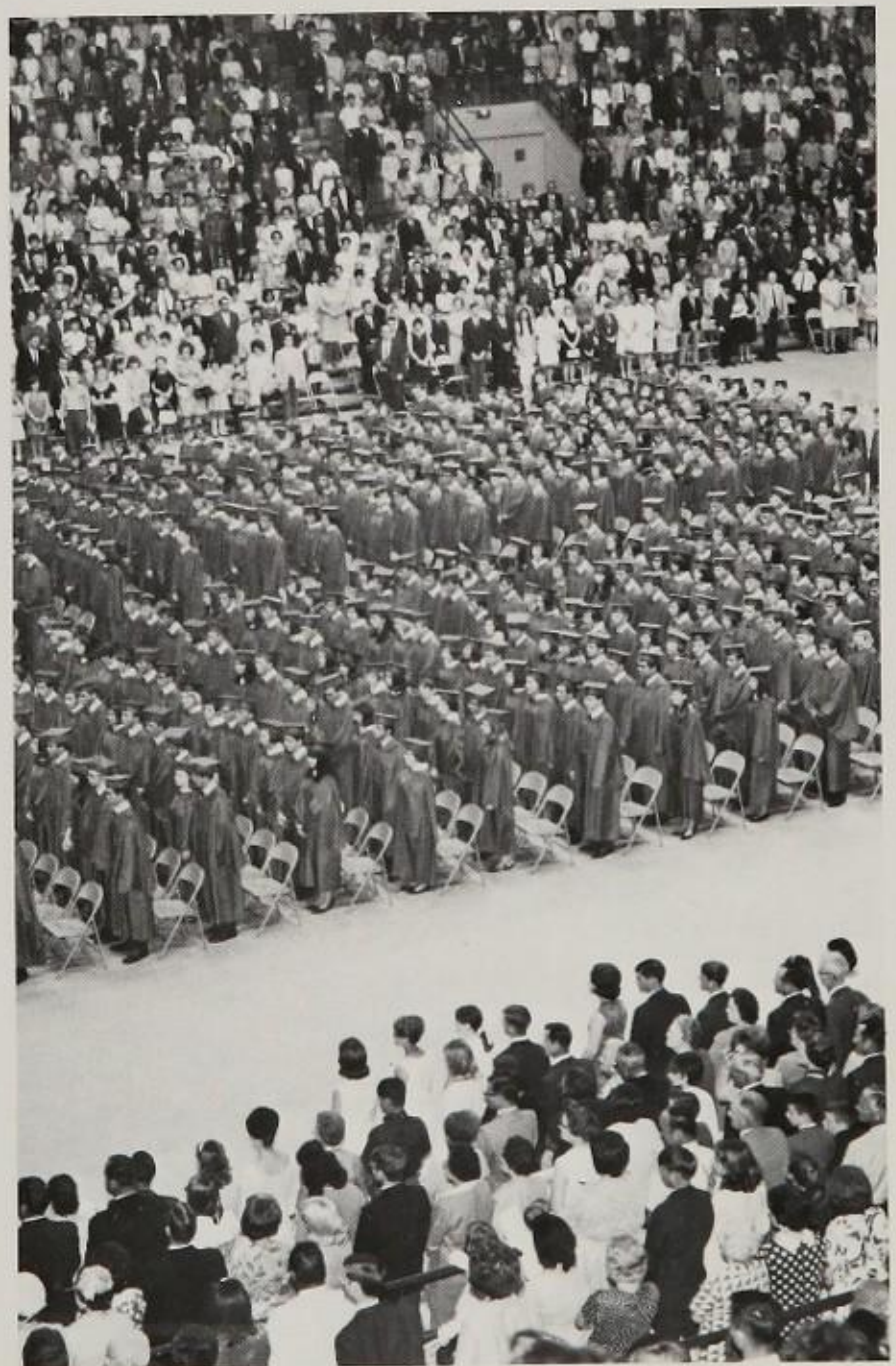

Freshman Willie Smith appreciates the welcome banner greeting the first freshman class ever to attend Woodlawn.

A student must travel across the quadrangle many times before he reaches Knighthood.

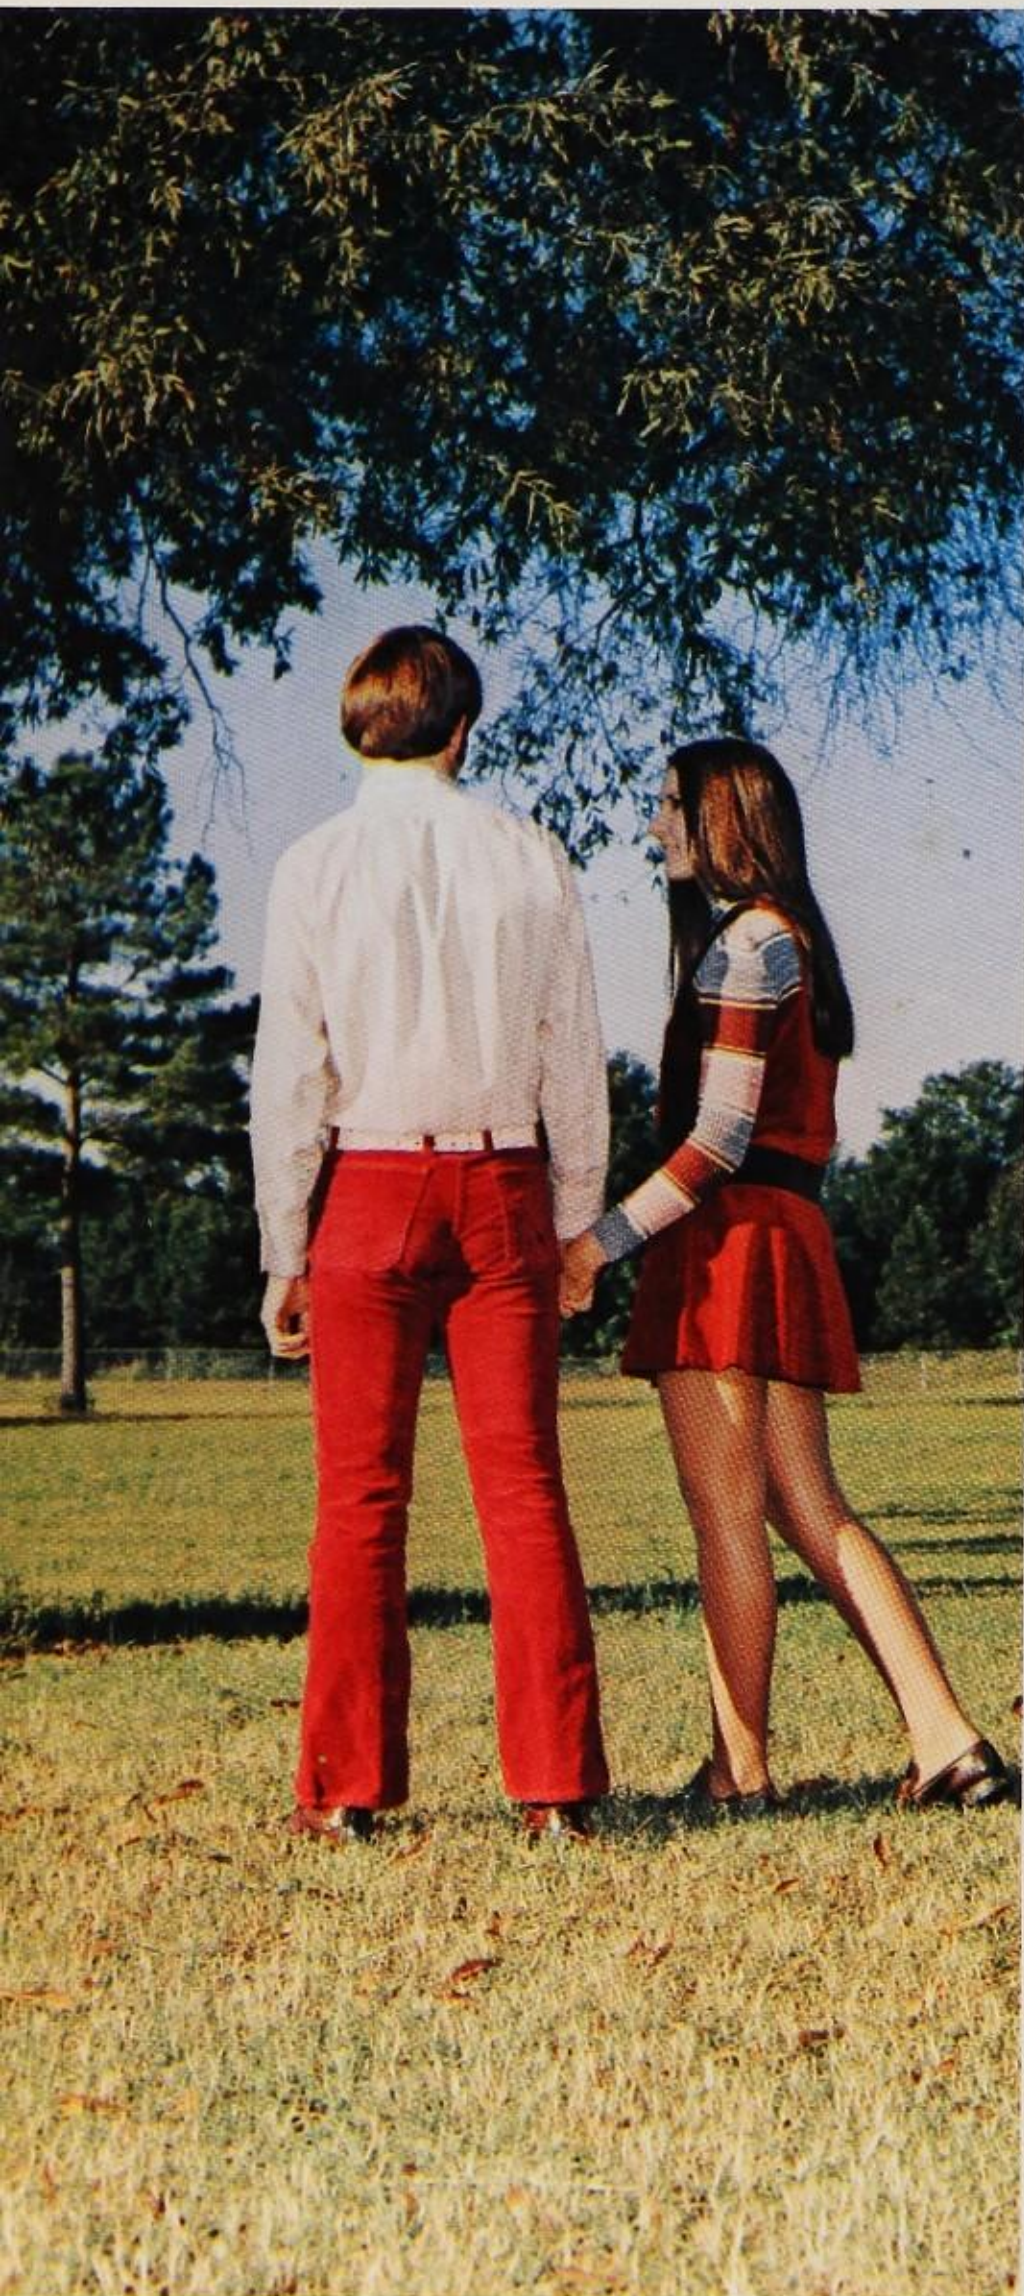

The road to Knighthood comes to an end with graduation.

ACADEMICS

The many science courses offered at Woodlawn make it possible for students to major in science. These classes also prepare students for the advanced and fast-moving world that they will one day be a part of.

Physics and chemistry are the more advanced science courses offered at Woodlawn. Physics is the study of energy and matter. In chemistry the student learns the make up of substances in our world. Physical science and general science teach students the basics of science. These two courses are generally taken by sophomores. Biology class takes students into the study of the human body and its functions.

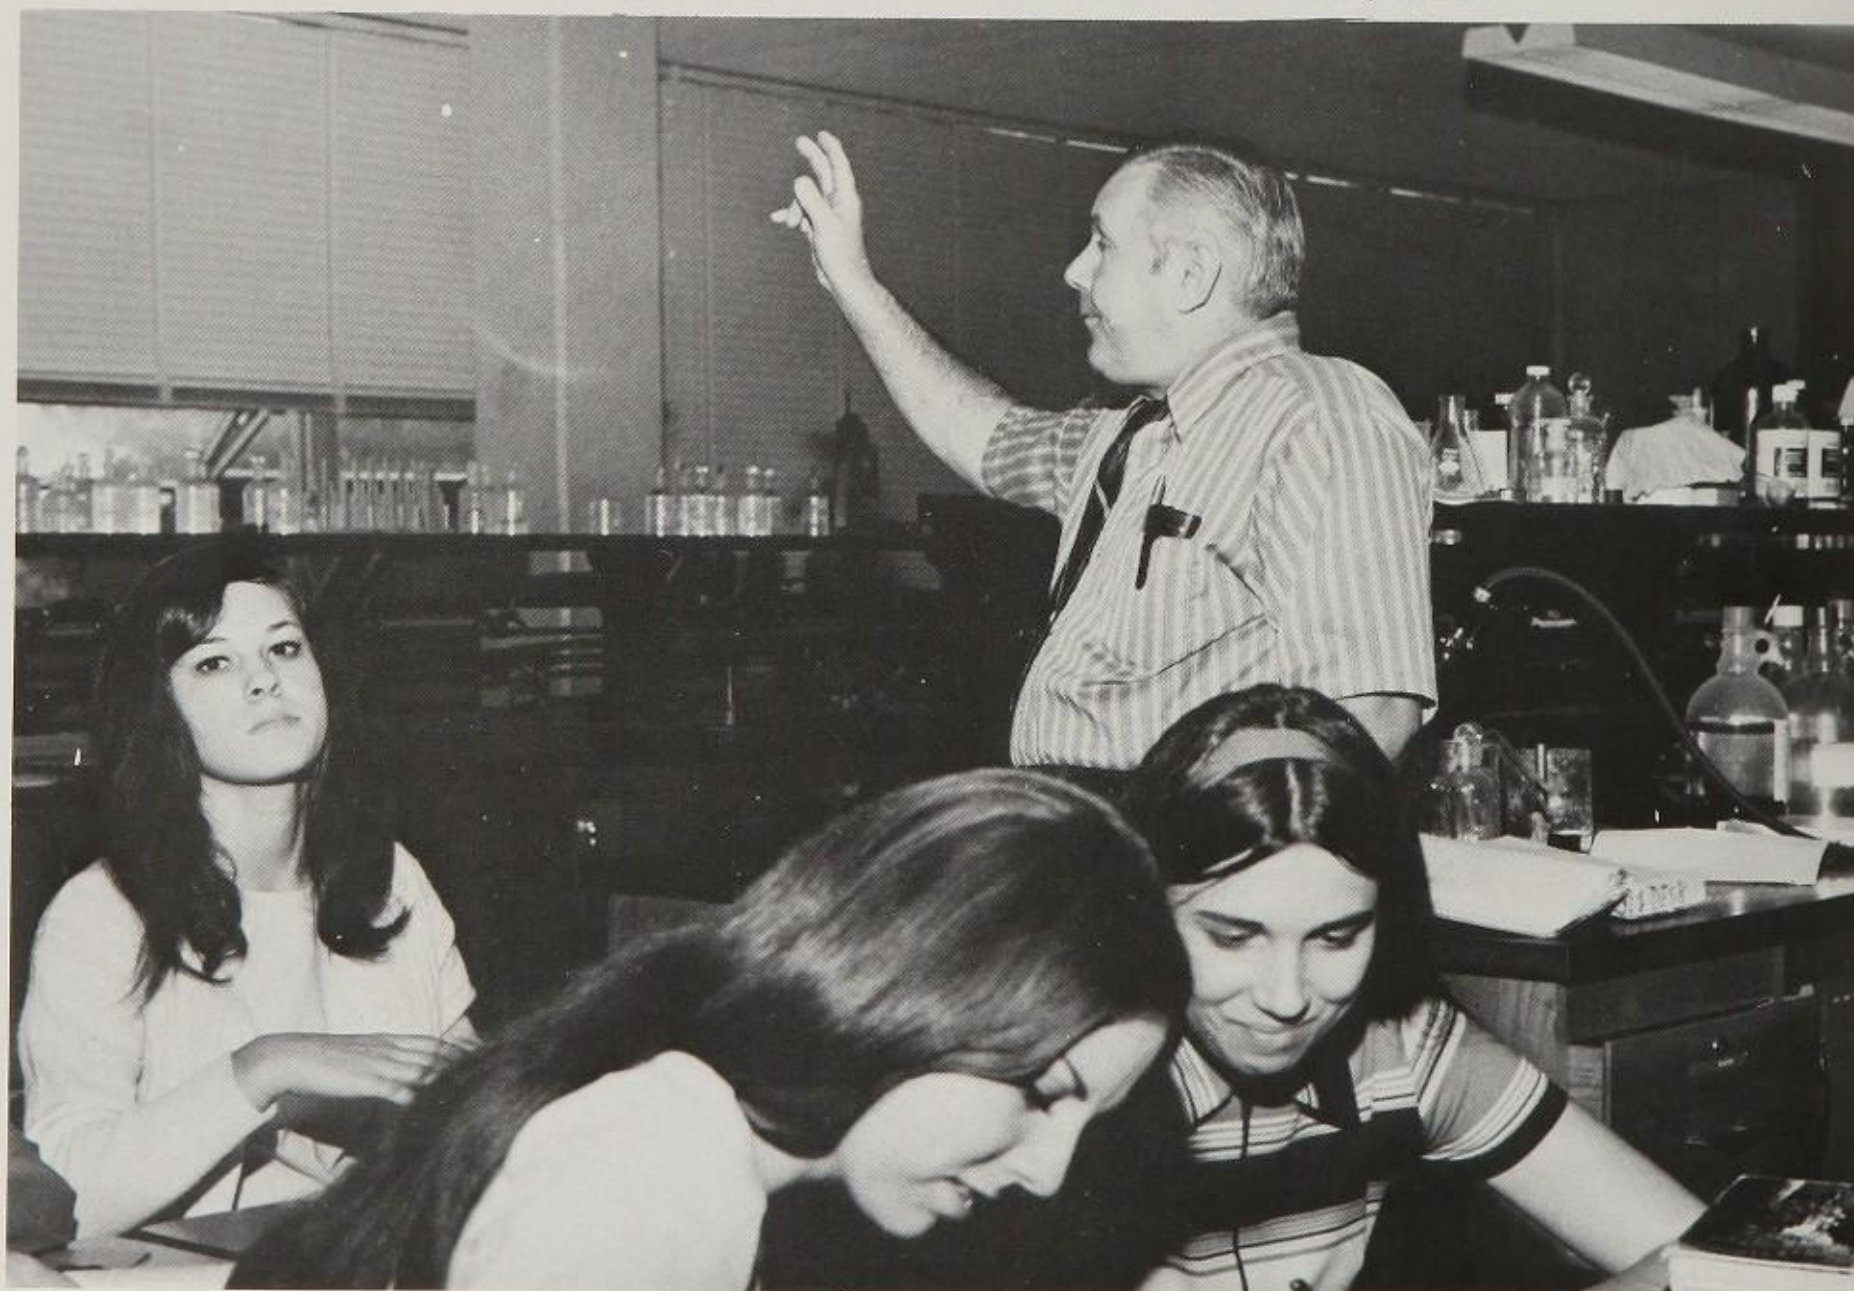

All these courses are a part of the curriculum at Woodlawn and play an important part in the development of the students' educational background.

Mathematics has been used for many centuries, in fact the very earliest men used a form of math to keep track of their belongings. Math has come a long way. Such a long way in fact that it is now possible to calculate the distance from the earth to any planet in our solar system.

Modern man in his everyday living always end up confronting math. It may only be the counting or balancing of his checking account, but his background of math is still of great importance to him.

One of the more difficult math courses offered at Woodlawn is advanced math. This course is taken by seniors preparing for college. Advanced math deals with trigonometry and some calculus.

Thanks to the many math courses offered at Woodlawn, it is possible for students to be prepared for college math courses.

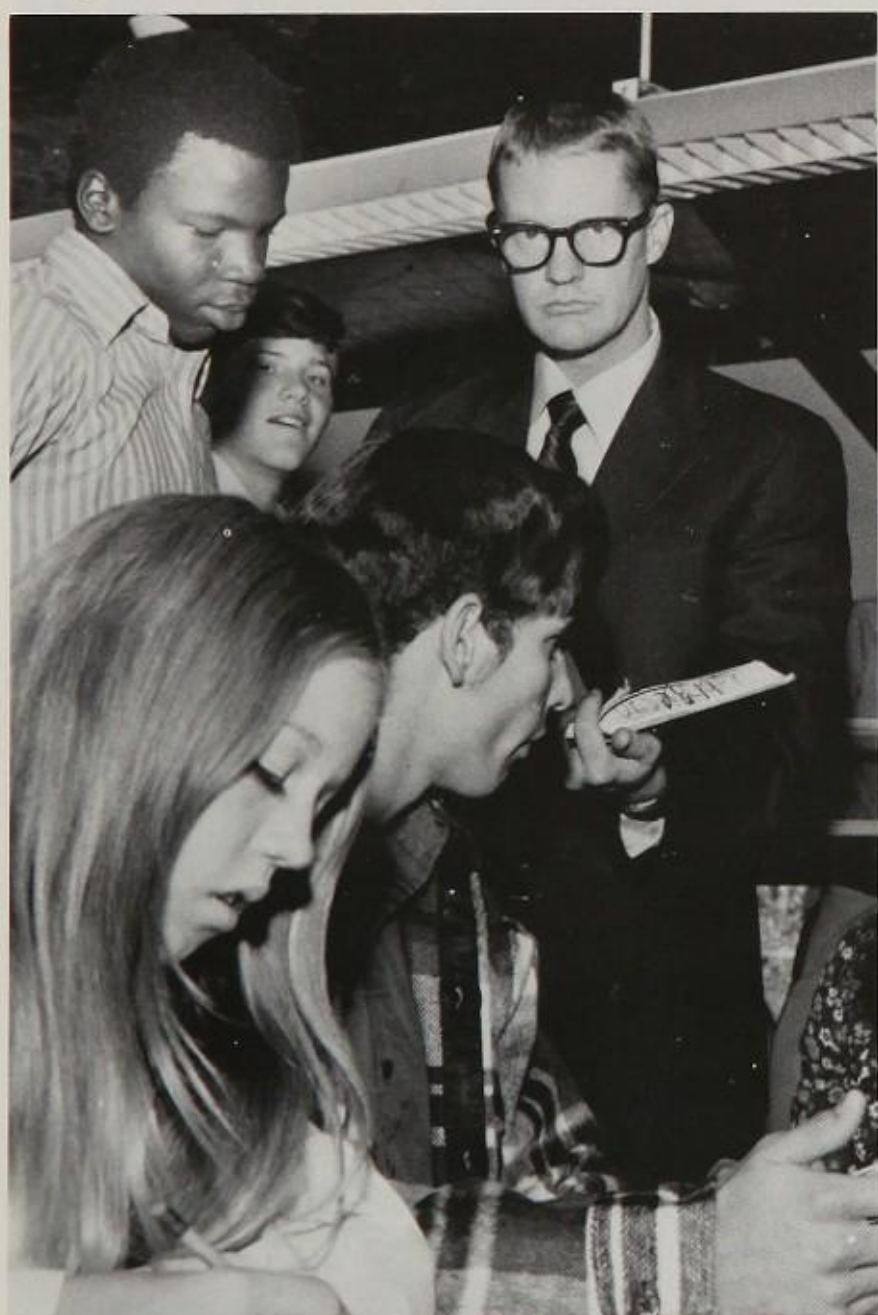

Students in Mrs. Morell's geometry class find it helpful to study their material carefully before beginning their work.

Union High School was drafted as the sight for the C.C.C., and the center is now in operation. The transformation took place in the summer of 1971, and it was completed in the fall.

In the future this center will have paid for itself by reducing unemployment and helping to create useful citizens for our society.

These classes are important to the average student because they offer him a way to know and be proud of America. These courses also teach him the differences between our democracy and the government of other nations.

Various methods are used to present information to the members of the classes. These methods include skits, films, field trips, lectures, and discussions.

A new social studies course was offered this year for the first time at Woodlawn. It is sociology and is taught by Mr. Robinson. sociology deals with man's relation to society.

Ad Staff Helps Finance ACCOLADE

Without this year's ad staff of 16 members, it would have been virtually impossible to have a yearbook of this size and quality. The job of the staff members is to sell advertisements to local businessmen in order to help finance the publication of the ACCOLADE you are now holding.

Under the direction of Mrs. Sherrie Hudson and the leadership of the staff's two managers, Cindy Griffith and Debbie Leon, each member was given a quota to meet and assigned certain businesses from whom ads were solicited.

Qualifications necessary for becoming a member of the ad staff are to be a junior or a senior with at least a 2.5 grade average and to be approved by the former membership of the staff.

Circulation Staff Sells and Delivers ACCOLADE

With the assistance of Mrs. Sherrie Hudson, the ACCOLADE Circulation Staff does a very commendable job of selling and distributing the yearbook. The job of the staff is to publicize selling dates and make receipts for the money received from these sales. At the end of the year when the ACCOLADE finally arrives, the Circulation Staff then has the pleasure of distributing copies to the students.

Students must have a 2.5 scholastic average and be a junior or senior in order to be a member of the staff. One must also be voted on by the former members of the staff.

RIGHT: Mrs. Sherrie Hudson sponsors both ad staff and circulation staff for the ACCOLADE.

ACCOLADE Staff Makes Yearbook Possible

LEFT: Mrs. Elaine White and Miss Linda Loper assisted the 1972 editorial staff as sponsors.

ACCOLADE Editorial Staff is the organization that makes the ACCOLADE happen. This year's ACCOLADE Staff was made up of 16 hard-working juniors and seniors. They spent many hours capturing the past year's memories and correlating them to this year's theme, "The Road to Knighthood." The staff kept occupied by drawing layouts, getting picture ideas, cropping pictures, writing body copy, and originating a theme.

The staff attended an all-day seminar last year at Northeast to learn about yearbook planning. Glenda Knotts, Jan Thomisee, Joleen Hennigan, Karen Chance, Harley Harville, and Watson Franks attended a one-week yearbook session at Northeast this summer.

The 1971-72 ACCOLADE Staff was headed by Miss Loper, Mrs. White, and Glenda Knotts who was Editor-in-Chief.

Glenda Knotts served as Editor-in-Chief and Joleen Hennigan served as Assistant Editor for the 1972 ACCOLADE.

Bobby Gunn and Karen Chance look through old yearbooks to gather thoughts and ideas for their sections.

Staff members gain confidence by helping each other work out numerous details necessary to complete the ACCOLADE.

Herald Staff Promotes School Spirit

So that the students will be "in the know," the HERALD Editorial Staff publishes all the current news that is happening on the campus. Under the leadership of Mrs. Mary R. Wilson, the staff has promoted school spirit by arousing interest in school activities and publicizing castle life.

Throughout the year the staff has presented entertaining features, strong editorials, full sports coverage, and regular club news. The main job of the staff is writing the articles and determining what is news and what isn't. This year's staff has worked exceptionally hard, but the joy that not only they but others received from having a paper made it worth while. The Editorial Staff "doubles" as the Circulation Staff with all members participating. They sell the papers first period.

RIGHT: Mrs. Wilson approves all HERALD editorials.

Herald Ad Staff Finances Newspaper

This year's eight issues of Woodlawn's school newspaper was made possible by the salesmanship of the HERALD Ad Staff. The staff's purpose is to sell enough advertisements to finance the publication of the HERALD. Through the selling of these ads, the staff promotes a good personal relationship between school and business. The members of the staff begin their selling of ads during the summer vacation.

Staff members work at the constant job of billing and collecting from advertisers. They also plan the ad layouts for each paper and then proofread before publication.

By serving on this staff, students become acquainted with the field of advertising and learn the art of salesmanship. Those meeting the requirements are eligible for membership in Quill and Scroll.

Football Ad Staff Prepares Programs

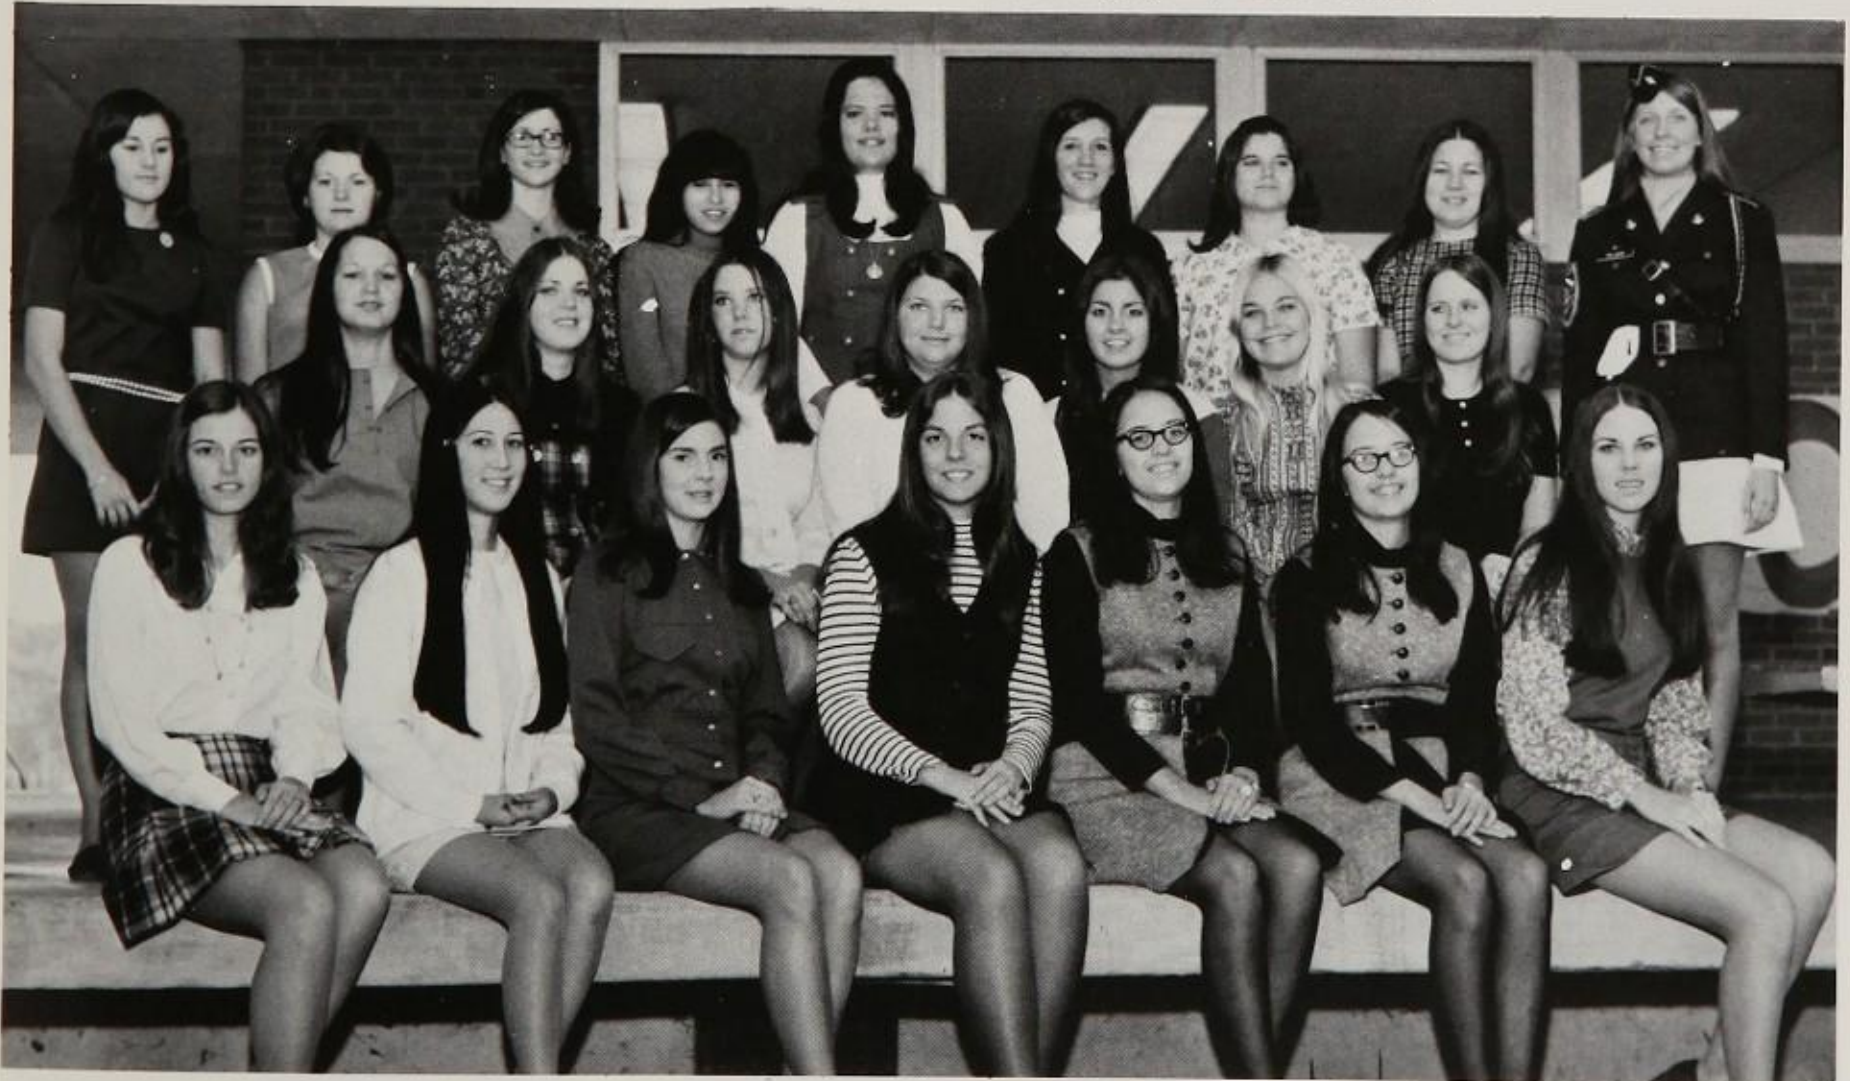

Through the sale of programs at each home football game, the Football Program Ad Staff promotes spirit and enthusiasm.

Apprentice Thespians Present Play

To advance and develop speech by way of direct competition with persons of equal quality is the purpose of the Woodlawn Speech Club. Mrs. Nancilee Foster acted as advisor for the club this year.

This year's club sponsored the sale of "Santa Socks" as a money-making project. This money was used to finance debate tournaments and the production of "Up the Down Staircase," the play presented by the Thespians.

The Thespians, a branch of the Speech Club, are interested in dramatics. To promote interest and participation in all phases of dramatics within the school and community is the purpose of this organization. The requirements for membership as a Thespian are to have at least a 2.7 scholastic average and to be interested in participating in dramatic interpretations.

This club has added much to the tradition of all Woodlawn students, to have excelled in their works.

"You wouldn't recognize Woodlawn's Knights," is a quote taken from the Shreveport *Times* before the 1971 season had begun. The Knights were going to have a hard time and everyone knew it. Burdens placed on the team included a loss of 21 seniors the previous year. It was almost as though a totally new team had moved in to replace the old one. The new team certainly possessed talent, spirit, and determination, but still lacked the greatest need of all — experience.

This need helped explain the season's opening of three severe losses to LaGrange, Fair Park, and Longview. However, the spirit and excitement of Homecoming turned the tide for the Knights as they brought home their first win of the season beating Quachita 35-6. The winning streak continued on through the next two games as the team beat Southwood 14-6, and then struck up win number 100 in the history of Woodlawn by beating B.T.W. 14-6.

The Knights' spirit grew stronger and hopes grew

bigger, but it wasn't enough with which to face the Jack-ets as they threw Woodlawn to a 27-0 defeat. As fate would have it, the Knights marched down to another defeat when Ruston beat them 49-26. Then came the greatest wound of all times as Airline took them 54-0.

The Knights could take no more. All the power and newly gained experience had to come through sometime, and now seemed a perfect time. It was time to play the Gators, the only unbeaten district team, and now was the chance for Woodlawn to bounce back; and bounce they did as they put the only mar on the perfect Gator record by tying them 7-7.

The team was awarded the honor of placing Robert Pennywell and Buddy Mowry on the All-District Team. Robert Pennywell was also awarded All-City.

Never before had Woodlawn made such a fantastic comeback. As before and always, the "Twelfth Man" marches on with the words that other schools fear, "Big Red Ain't Dead."

Woodlawn 0

LaGrange 21

It was a long ride home for the Knights as the Gators produced a 21-0 season opening victory over Woodlawn.

It was a first time on the field for most of the Knights' offensive line, and the Gators used it to their advantage as they held the Knights scoreless. Though the Knights were experiencing many difficulties, Paul Kennington brightened the night by completing 10 of 21 passes for 123 yards.

The only time the Knights came close to a TD was in the last minutes when they held the ball on the two, but Kennington was decked for a one-yard loss and was tackled one yard shy of the goal line on the fourth down.

LEFT: Terry Robinson continues to run after escaping a close tackle by a Jacket defender.

The Woodlawn Knights were looking good, but not good enough as the Indians downed them 22-6 in the first district game for both teams.

Although the Knights lost, great promise could be seen through many good moves made by both the offensive and defensive lines.

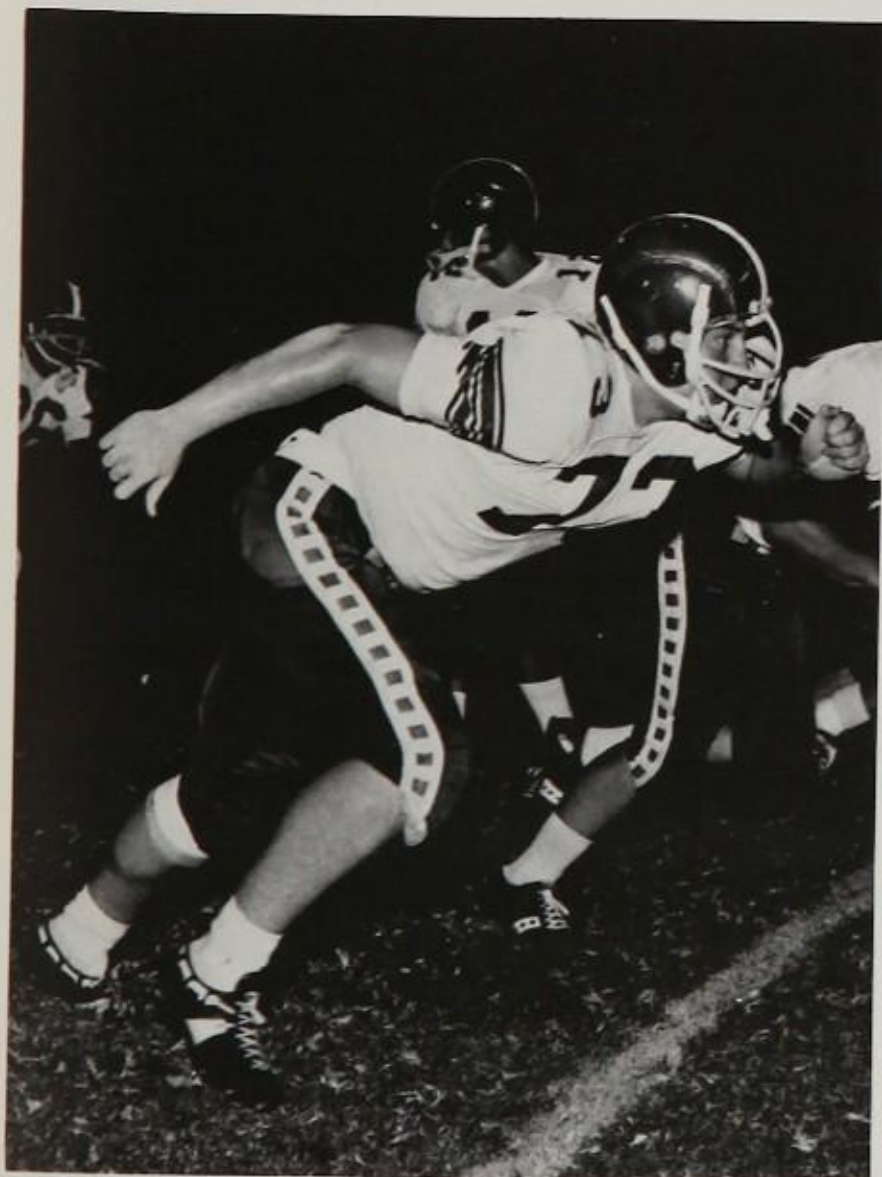

One memorable defensive play came in the second quarter when the Knights held on three Indian plays from inside the five and stacked up on Fair Park's Pete Houston at the goal line on the fourth down.

Defensive leaders for the night were linebackers Robert Pennywell and David Boughton and tackle Buddy Mowry, while the top receiver was Arthur Green.

RIGHT: Mike Koob searches for an opening as an aggressive Gator approaches to stop him.

It was a long night for the Knights in Longview. The gridsman were handed their third loss of the season by the Longview Lobos.

Longview's strong defense dominated the game. The Knights were held to a minus in the rushing department. However, the Lobos could come no where close to containing the Knights strong passing attack. Quarterback Paul Kennington completed 14 passes for an impressive 211 yards.

Both of Big Red's Touchdowns came on passes from Kennington. The first was a 10-yarder pulled in by Renard Johnson in the opening period. The next 6-pointer was an 8-yard pass in the third period. This was not enough though as the game ended with the Knights 15 and the Lobos 40.

The Knights hustle through the victory line which was set up by the pep squad before every game to inspire the team.

Southwood 6

Big Red was now 2 and 0 against their south Shreveport rival, Southwood. The Knights survived five turnovers to come up on the high end of a 14-6 score.

Woodlawn drove 71 yards in 10 plays to move ahead 7-6. Major plays in the drive included a 23-yard Kennington pass to Charles O'Keefe and a 25-yard Bogan run. Halfback Terry Robinson took the pitchout from Kennington on the 10 and raced in for the score. Buddy Mowry put the go ahead point on the board. Randall Procell gave the Knights the clincher late in the last quarter. Procell picked up a bad pitchout from Southwood's quarterback on the 15 and rumbled in for the score.

Homecoming Starts a Line of Victories

Woodlawn 35

Ouachita 6

Homecoming was the spark that Big Red needed to snap a five-game losing streak. The Knights demolished the Ouachita Lions 35 to 6.

The Knights moved from a strong passing attack established in earlier games to an overpowering running attack. The rushing game was led by Arthur Green, who piled up 115 yards. Along with other key rushers the Knights finished with 287 yards.

Arthur Green scrambled 49 yards for the first touchdown and 7 yards for the second touchdown. Keith Bogan pushed his way in from the one in the first half and from the 14 and the 7 for a total of three touchdowns for the night. Mowry converted 3 of 4 PAT's and Kennington raced in after the first TD.

On the defensive side, Buddy Mowry recovered a fumble, Mike Brown broke up several passes, and Robert Pennywell intercepted one. The Knights received superb playing from Charles Statham, Randall Procell, and Charles Davis also.

Woodlawn 14

B.T.W. 6

The Knights brought home victory No. 100 in Woodlawn's history by beating B.T.W. 14-6.

Though Woodlawn had been predicted to win the game, it was no easy victory. The Lions held the Knights at 7-0 for the first three quarters, the Knights leading. Not until the fourth quarter did that second securing touchdown come when Bogan slammed over the middle with 33 seconds to play from the three-inch line.

The best for the night on offense was Terry Robinson 12 for 34 rushing.

Byrd 27

For the second consecutive year in an old battle between Byrd and Woodlawn, Byrd came up victorious, again.

The game started out as a battle between the teams' defensive lines as they held each other scoreless through the entire first quarter. But the Knights' fate was clearly seen by half time as the Jackets pulled through to score twice.

Woodlawn's only consistent drive that night came when Paul Kennington connected three straight passes with one going 23 yards to Charles O'Keefe. They drove to the Byrd 10 before losing the ball.

Terry Robinson led in rushing 5 for 39, while the best receiver for the night was Charles O'Keefe for 41 yards.

LEFT: Seeing that all receivers are covered, Keith Bogan makes a run for it himself.

Woodlawn 26

Ruston 49

It was one of those nights when nothing could go right for the Knights, yet nothing could go wrong for the Bearcats as they beat Woodlawn 49-26.

At the half, Ruston had already built up a lead of 28-0. By this time it was almost impossible to catch up, but the Knights made a fine try by making four touchdowns during the last half.

The first TD came by Charles O'Keefe on a 12-yard pass from Paul Kennington, and the second on an 18-yard reception from Keith Bogan. Arthur Green sneaked in from the one and Bogan ended the Knights' scoring with a 25-yard run in the closing minutes of the game.

O'Keefe was the leading receiver of the game, catching 6 passes for 125 yards and 2 TD's.

Airline 54

The Woodlawn Knights were at the low spot of the season against the Airline Vikings. They could never get the ball moving successfully downfield. The Knights had a few bright spots in the game, though. On the defensive side of the game, the Knights secondary started moving. Three pass steals came from Ricky Terrell, Plummer Williams, and Mike Brown.

Ricky Wyatt made his presence known in the game by catching four passes for 66 yards, which made him one of the leading pass receivers in the game. Keith Bogan also played well by hitting on 50 percent of his passes for 60 yards. The loss dropped the Knights to a 3-6 overall record with one game remaining.

LEFT: Terry Robison made the tying score against Captain Shreve.

Knights Finish by Stunning the Gators

Woodlawn 7

Captain Shreve 7

Woodlawn, the heavily favored underdog against the Gators, obviously didn't know they were suppose to lose. The Knights went out on the field with the true Woodlawn spirit — never give up even when you are down. After being humiliated by Airline, the game before, everybody thought Big Red was through, including Captain Shreve. The tie kept the Gators from a perfect season, which especially pleased the Knights.

The Knights intercepted five passes and recovered two fumbles before a stunned Captain Shreve crowd. Ricky Terrell and Mike Brown paced the Knights with two crucial interceptions each. The Woodlawn defense also held the Gators to only three first downs in the first half.

The Knights scoring drive came in the fourth quarter after an interception by Brown. A Bogan pass to Ricky Wyatt for 14 yards kept the drive alive. Then Bogan fired a 12-yard pass to Terry Robison for the score. Buddy Mowry then kicked true to tie the game at 7-7.

During a time out, Keith Bogan goes to the sideline to receive information from Coach Williams about the plays.

9th Grade Team Comes to Woodlawn

The ninth grade team began its first year at Woodlawn this year. They posted a very fine season record with six wins and four losses. The coaches for the team include Thomas Ludley, Shealy Shelby, and Ken Ivy.

The members on the team will be expected to move up to the varsity team next year. Considering the record of the team, we should expect some great talent coming

up. Some of the team members also played on the B team. The ninth grade team did not receive as much recognition as they would have received at a junior high school. The ninth graders, instead, had the opportunity to play under great leadership and to be able to say they played for Woodlawn, which is enough recognition in itself.

The 35-6 score not only marked our first victory, but it was also our Homecoming.

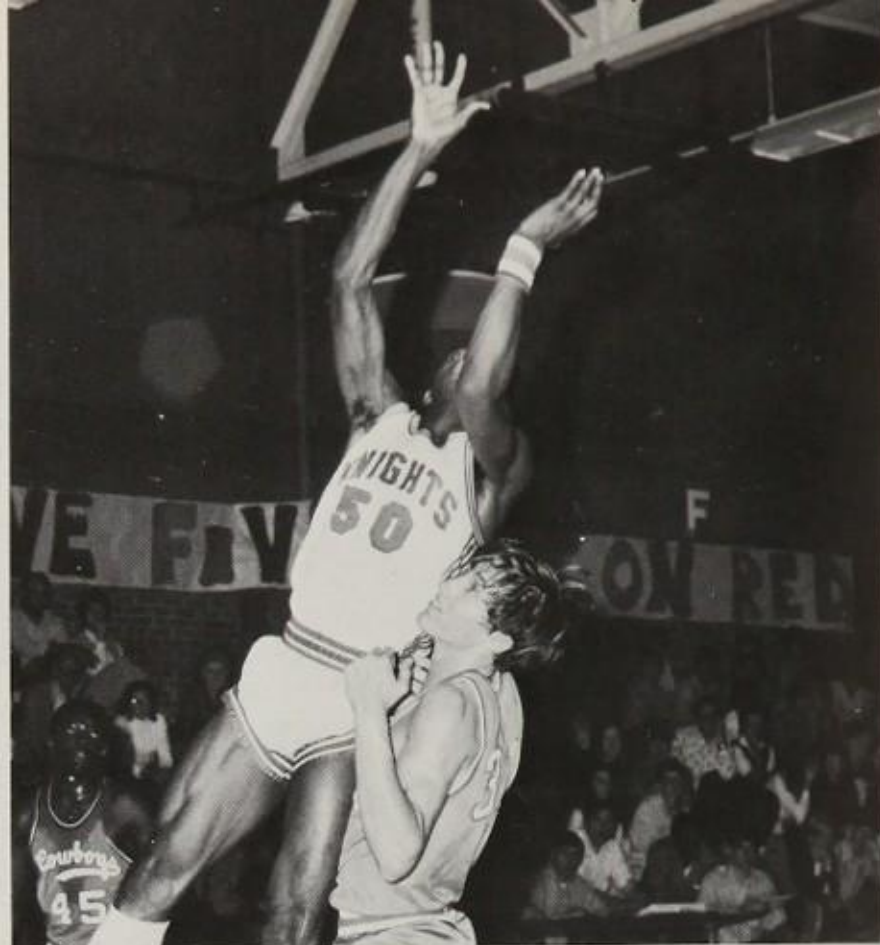

The Knights entered the "Top Twenty-Four" for the third time in four years. Big Red advanced to the championship game and squeezed out a victory over Rummel 50-49 to clinch the state title.

Robert Parish of the Knights received almost every honor possible in basketball. Many of these included being unanimously chosen as the most valuable player in Louisiana, heading the All-Southern Team and being picked as All-American, the most coveted of all honors.

Big Red also entered and won three tournaments. These included the Ark-La-Tex, Bobby James, and Bossier tournaments. The Knights also placed many on the All-Tournament Teams.

Coaches Thomas Ludley, Shealy Shelby, and Ken Ivy led the Knights through the season, and Coach Ivy was chosen as "Coach of the Year" in AAAA.

Knights Finish With 8-12 Record

Under Coach Thomas, the Knights finished the 1971 season with a 8-12 record. Although they started the season with three losses, they picked up to finish 7-7 in District 1-A AAAA. This left the Knights tying Byrd for fifth place.

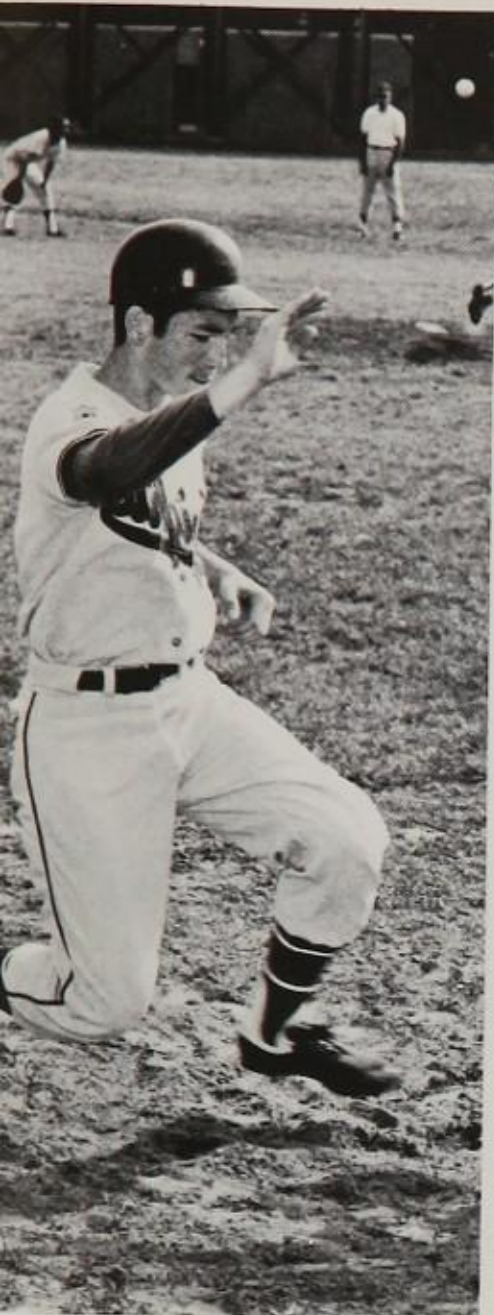

Danny Warren was the only Knight to receive all-star honors, making All-District as a third baseman. He was also the team leader in numerous batting categories. His .372 batting average was one of the best in the city.

Second in batting for the Knights was first baseman Vyron Brown. He hit a .318 and stole 27 bases making best in the district.

The Knight's leading pitcher was junior Mike Aaron. Although he had only a 3-7 record, he struck out 56 batters, walking only 10.

Woodlawn won three out of its last four games. This included a 5-2 win over Southwood, a highly ranked city team.

Knights finished sixth in the Woodlawn invitational, a meet won by Fair Park. First place in that meet went to Ricky Simmons who vaulted for 12-5 and senior Larry Terrell in the two-mile run.

WHS Tennis Team

Practices Many Hours

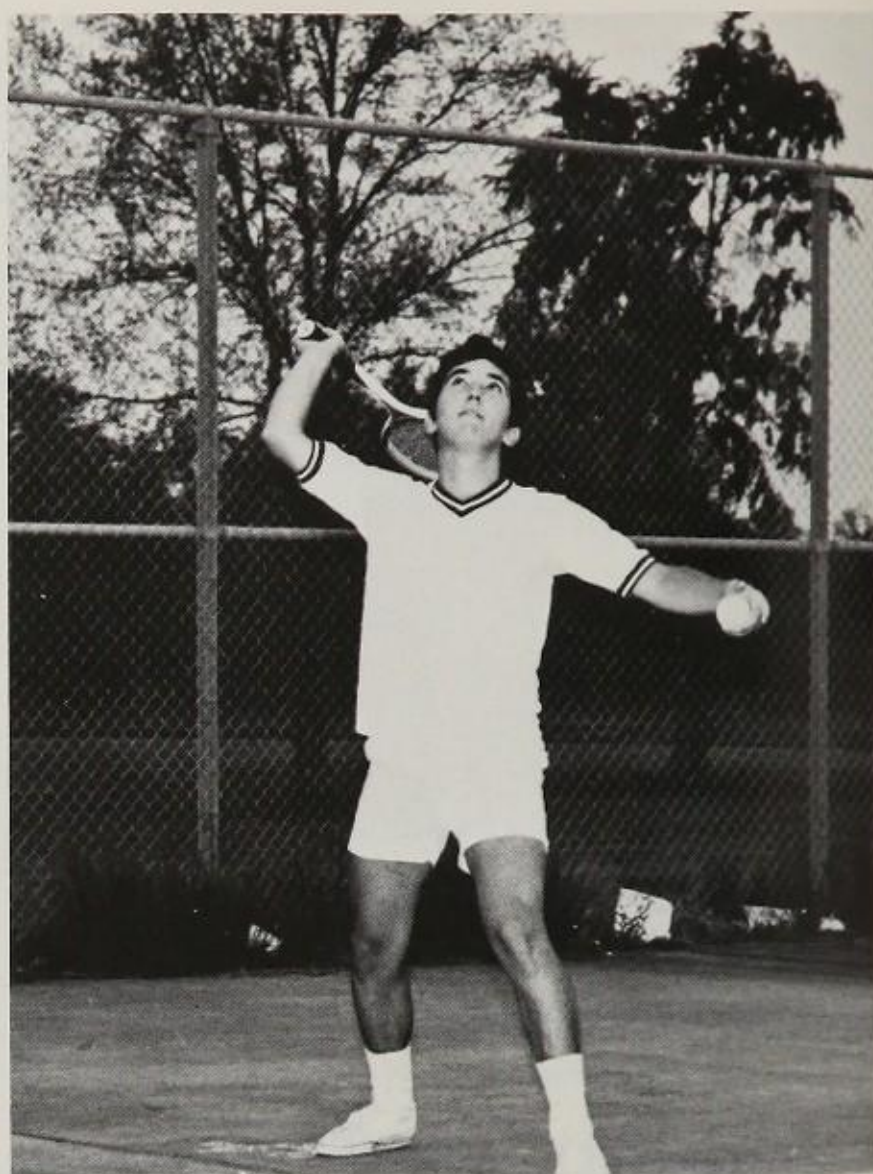

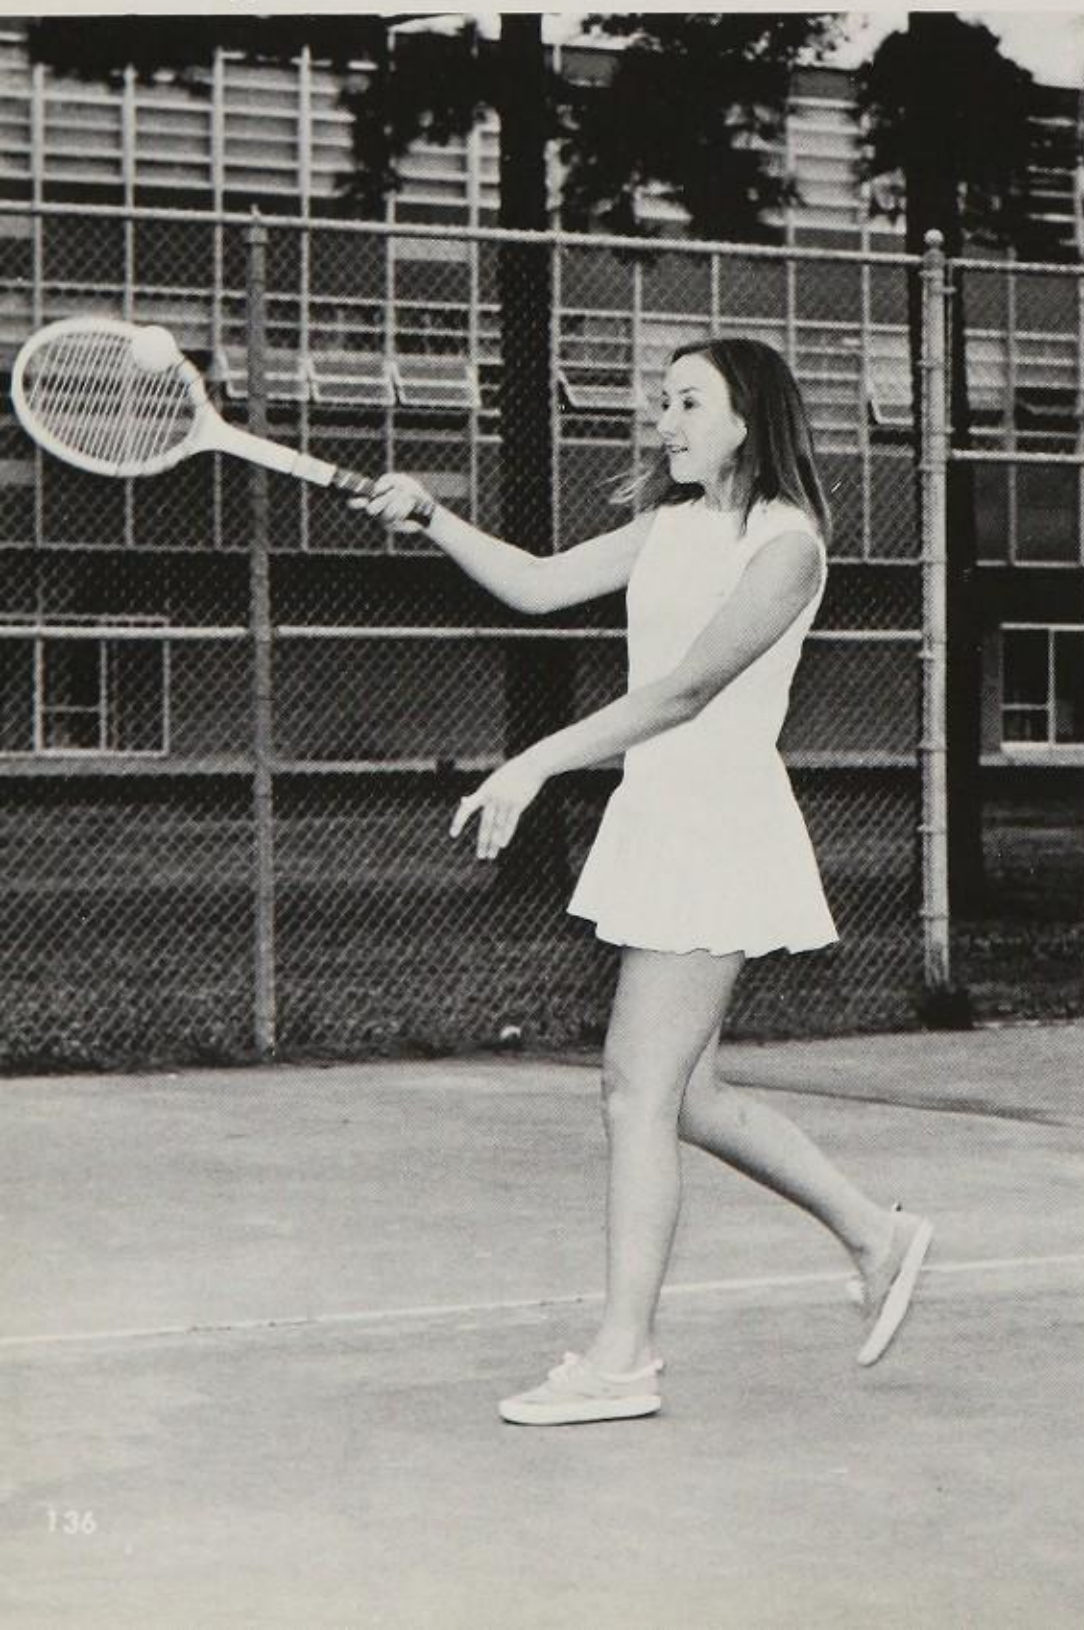

The 1970-71 tennis team spent many extra hours after school to improve their skill. Donald Dowden was the only returning letterman, but he was aided by a determined bunch of first-year netters.

The players had a rough schedule including two matches with the state champion, Captain Shreve, and two matches with Byrd High School, which has long been considered one of the toughest in the state.

Coach Ivy was assisted by two student coaches, Mrs. Boydston and Miss Shuamont, who spent many long hours with the racketeers.

Lettermen for the 1971 team were Paula McCann, Vickie Alexander, Robbie Fielder, Sherry Lazarus, Bruce Buckingham, Watson Franks, Donald Dowden, Glen Davison, and Jim Robinson.

Stress Physical Fitness

Evelyn Coffey concentrates on the target.

Boys spend many hours learning basketball skills.

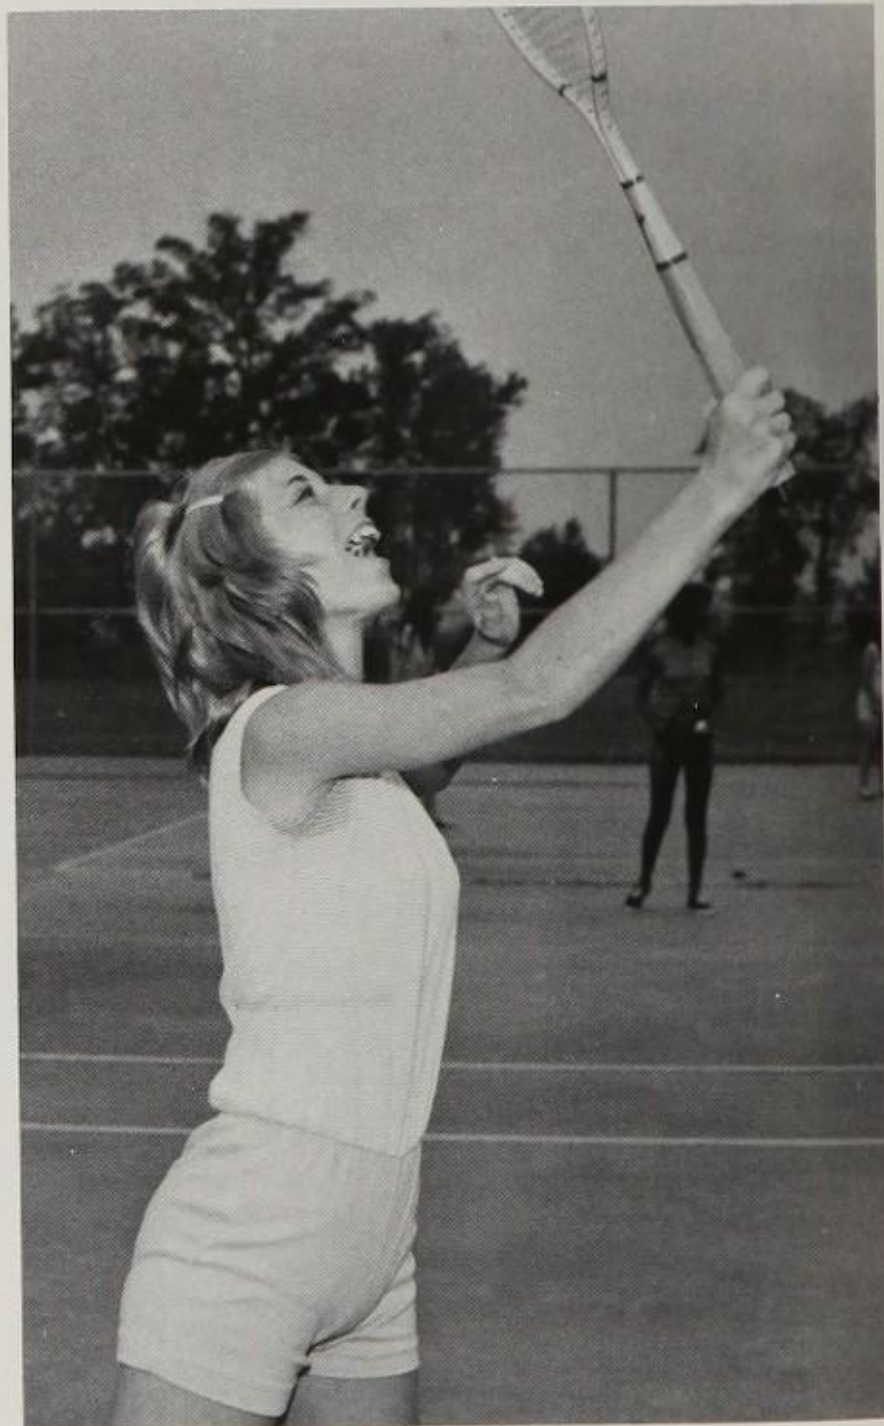

The physical education classes are designed to develop emotional maturity, give emphasis to good moral values, and most importantly develop physical skill and fitness. Basketball, volleyball, tennis, football, and softball are just a few of the many activities carried on in the boys' and girls' physical education classes.

For a period of six weeks they are required to take a course in safety and health which include the principles of first aid and healthful methods to live by.

At the end of each six weeks tournaments are held among the classes. These tournaments create much enthusiasm among the students.

Helping to create spirit is another enthusiastic group, the Woodlawn Lancerettes. They are led by Colonel Marsha Knight and Lt. Colonel Beth Ann Towns, boasting a membership of 359 girls.

During the summer they could be seen practicing, preparing for the coming school year. Also many hours are spent in working with the cheerleaders and singing.

The pep squad is composed of sophomore, junior, senior, and for the first time, freshman girls — each one doing his own to promote spirit.

This year Mrs. Carolyn Smith sponsors and manages the pep squad. At the end of the year a banquet will be attended by all Lancerettes, at which time outstanding members are recognized and new officers are presented.

Vivacious Six Keep Spirit Boosted

There are six girls around the castle who are never mistaken for anyone else. They are the six vivacious cheerleaders who do so much in keeping the morale of the students and athletes boosted.

Their duties are many, including painting posters, working out skits for pep assemblies, selling decals and ribbons, practicing cheers, and making spirit tags for the football players before each game. They perform each of these duties with a spark of enthusiasm and

endless spirit characteristic of every Knight.

While attending SMU during the summer, they won twelve blue ribbons, the spirit stick, and were nominated for the Coca-Cola Award.

These six dedicated girls spend much of their time and energy in trying to stimulate the Knights' fans. It is a hard job, but a necessary one for keeping alive the tradition of the "Twelfth Man." WHS is proud of you.

Vassals Attend Pageant of the Accolade

TRUMPETEERS: Patti Jones, Peggy Dunlap, Melinda Austin.

On February 18, 1972, the splendor of the Medieval Age was brought to life at Woodlawn with the Pageant of the Accolade and the Knight's Ball. The castle opened its gates to the many knights and ladies who entered to show their loyalty to the majestic king and queen. Serving as this year's king and queen were Bill Killgore and Julie Hall. The king and his court were entertained by various talents from around the castle.

The court consisted of four senior boys and four senior girls, three junior boys and three junior girls, two sophomore boys and two sophomore girls, and rounding out the court were the first freshmen ever to participate in the Accolade Pageant.

The Pageant of the Accolade is an annual affair at Woodlawn High School. Immediately after the pageant the king and his court and the citizens in attendance proceeded in their cars to the American Legion Hall for the annual Knight's Ball.

Everyone who attended both the pageant and the dance relived the excitement of the Medieval Ages and continued the tradition of Knighthood.

LADIES IN WAITING: Mary Ann Blankenship, Pat Walsworth, Renee Wilson. SQUIRES: Don Aycock, Paul Kennington, Ricky Wyatt.

NFL Becomes Chartered Member

National Forensic League has a threefold purpose: to train students in leadership, to interest students in public speaking, and to hold their interest until they acquire a high degree of effectiveness as speakers. This is the first year the club has become a chartered member of National Forensic League.

The club has been very active during the year. Members attended tournaments in Louisiana, Texas, and

Mississippi throughout the year. Debate workshops were held weekly with guest speakers such as lawyers, judges, and court clerks. They also hosted a forensic tournament.

Two projects were held to raise money for the club. A car wash held at Robo and "Santa Socks" sold at Christmas proved to be very successful.

FRONT ROW: Watson Franks, Bary Hayes, John Boston, Tommy Gibson, Max Nunnery, Dennis Herring, Pat Durusau, Steve Butcalis. ROW 2: Crecia Biard, Glen Davison, Dan Denton, Helen Whitson, Rusty Thompson, Cindy Wells, Vickie Miles, Susan Smith, Jackie Lohman, Kathy Turner, Trudy David.

Jackie Lohman and Susan Smith, two junior NFL members, found debating and public speaking educational and enjoyable.

Gene Smeed and Watson Franks concentrate on the debate.

Bary Hayes and Dennis Herring, a successful debate team, qualified for the Tournament of Champions.

Dan Denton and Glen Davison received many trophies and awards for their outstanding work at various debate tournaments.

Membership in the National Honor Society is one of the highest honors a student can achieve while at the Castle. This honorary organization stands for character, leadership, scholarship, and service.

To be a member of National Honor Society, a student not only must maintain a 3.0 grade average, but he also must be highly recommended by his teachers. He must be actively involved in at least two school organizations.

Highlights of the year for this group include the induction of new members each spring and the annual spring banquet. Members also usher for the baccalaureate and graduation ceremonies.

The purpose of Quill and Scroll is to promote interest and scholarship in high school journalism. The organization is a national honor society which is made up of those students who have done outstanding work for one of the publication staffs. The school publications are the ACCOLADE, the HERALD, and the Football Program.

To be eligible for membership in the Quill and Scroll, one must be on a business or editorial staff of the school. Other requirements include being recommended by an advisor and having a high scholastic average.

A mythical 51st state, Pelican State has its own constitution, statutes, and ordinances. The citizens organize their own state, city, and parish governments. Officials

are elected by regular election procedures.

Pelican State is dedicated to teaching young people the duties, privileges, rights, and responsibilities of the American citizen. To these students who participate in Pelican State, it is an unforgettable experience. It is here that students see themselves as leaders of tomorrow.

In Memoriam

SYLVIA CAROLINE SPEER
December 7, 1939 May 22, 1971

It is developing the deep sensitivity
through which we may suffer and know tragedy;
but through which we also experience the grandeur of life.

Editors Express Thanks

Exploring the road to Knighthood has been a rewarding experience this year. The yearbook staff hopes that by looking through your 1972 ACCOLADE you can recall the happiness, excitement, anxiety, and agony that you felt during the past year. This yearbook is not just another book, it is a reflection of the lives of the many individuals who attend Woodlawn High School.

We would like to thank the students, faculty, Mrs. Sherrie Hudson, and especially our sponsors, Miss Linda Loper and Mrs. Elaine White for their dedication to the yearbook staff. We would also like to thank Drummond's Studio for sending us David Mauldin who devoted many long hours taking the pictures for the ACCOLADE.

May this yearbook serve as an inspiration of your past experiences at the Castle, for it is your memory that keeps the past alive.

Expectations

Youth is a fast gallop over a smooth track to the bright horizon . . . The time of great expectations for yourself and expectations of others for you — to be fulfilled at an unspecified time called "Someday."

Angel,

To the greatest girl I've ever met. Although it took us a while to get together I'm so glad we finally made it. Even though we were in the same class for a year it had to happen. You're really the greatest thing to ever happen to me. It was kinda funny how we finally did get together, but I wouldn't want it any other way. You're different from any other girl I've ever known. You're sweet, beautiful, and a great girl to get along with and I love you. You're always so good to me and

I'm glad I found you. I don't ever want to let you go. So you know how I feel for you. I really miss you when we're not together. I worry about you all the time although you don't want me to. It'll be a lonely summer without you, but it'll mean even more when you ~~come~~^{come} home. We'll have to make the most of ~~our~~^{our} time that left. I'll write you all the time & I'll even call you if I can. You'll have a good time and I'll be waitin' for you when you get home. I'll spend all my time thinkin' of you. I love you with all my heart, and always will.

Love Always
Neal
